The Softline Counter System is as flexible and functional as the Softline Shelving System. Choose from three different heights for the work surface to achieve the best possible working position for standing, sitting or somewhere in between. The counter is available in various wood species and stains, with the front in wood or steel. The work surfaces come in different colors and materials, including linoleum, laminate or wood veneer. The counters can be combined for large and complete reception or circulation desks. A wide variety of accessories are available for the counters, including pedestals, shelves, locking doors and drawers for various types of storage.
